

For Immediate Release

TAIYO YUDEN to Appear at electronic China 2016
"Next Evolutions" Super High-End and Next High-End

TOKYO, March 8, 2016 - TAIYO YUDEN CO., LTD. announced today that the company will appear at electronica China 2016, which takes place from Tuesday, March 15th through Thursday, March 17th at Shanghai New International Expo Centre (Shanghai, China).

The TAIYO YUDEN booth will highlight the theme "Next Evolutions" Super High-End and Next High-End and will be divided into the following three zones:

- 1) Car Electronics Zone
- 2) Industrial Equipment Zone
- 3) Consumer Equipment Zone

We will be displaying Super High-End Products and Next High-End Products that skillfully apply our leading technologies, as well as solutions that combine the optimum use of these products.

There will be demonstrations for vascular age checking that utilizes piezoelectric sensor and high-resolution earphones that use piezoelectric devices. You will see the introduction of prototypes for multilayer ceramic capacitors that have achieved 1,000 μ F and ultra-small 008004-size multilayer ceramic capacitors and multilayer chip inductors.

The main stage will feature presentations and quizzes about TAYO YUDEN's Super High-End Products and Next High-End Products.

Details regarding the exhibits of the individual zones are as follows:

- Car Electronics Zone
 1. High Reliability Products

- Industrial Equipment Zone
 2. High-Speed Visible Light Communications
 3. Optical Displacement Sensors
 4. PV Wireless String Monitoring System "solmiv™"
 5. Multifunctional Fine Surface Coating
 6. Super Capacitors
 7. Piezoelectric Sensor

- Consumer Equipment Zone
 8. Multilayer Ceramic Capacitors with a Capacitance of 1,000 μ F
 9. Multilayer Ceramic Capacitors
 10. Inductors and Noise Suppression Products
 11. Communication Devices
 12. Piezoelectric Devices
 13. Embedded Parts Multilayer Wiring Substrates "EOMIN™"

In addition to all this, there will be many more solutions on display given. We hope to see you at the TAIYO YUDEN booth. There will be prizes and appreciation gifts for participants providing feedback and discussion. Please come and join us.

* Details of the electronica China TAIYO YUDEN booth (E3 / 3600) are available on the [Event Information page](#) of the TAIYO YUDEN website.
