## **TAIYO YUDEN Subsidiary NIIGATA TAIYO YUDEN CO., LTD. Announces Construction of New Plant**

*The plant will be completed in December 2018 and meet increasing demand for  
multilayer ceramic capacitors*

TOKYO, November 8, 2017 - NIIGATA TAIYO YUDEN CO., LTD, a subsidiary of TAIYO YUDEN CO., LTD., announced that it will construct a new plant, Building No. 3, at their Niigata site.

NIIGATA TAIYO YUDEN was established in 2007 as a production base for small high-capacitance multilayer ceramic capacitors. It has continued to enhance its production capabilities, mainly for high-end products, and constructed Building No. 2 in 2015. Our outlook sees demand for multilayer ceramic capacitors expanding further in mobile devices such as smartphones with added functions, automobiles with more electrical components, industrial equipment, healthcare and other markets.

The construction of Building No. 3 at NIIGATA TAIYO YUDEN is based on our medium-term growth strategy, and is part of our efforts to construct a production system that will satisfy growing market demand.

While developing electronic parts that support the advancement of electronic devices, TAIYO YUDEN will aim to provide timely supplies to our customers.
