For Immediate Release

TAIYO YUDEN to Appear at CEATEC JAPAN 2018

SMART to be an excellent company that enjoys the trust and highest regard from our customers

TOKYO, October 2nd, 2018 - TAIYO YUDEN CO., LTD. announced today that the company will appear at CEATEC JAPAN 2018, which takes place from Tuesday, October 16th through Friday, October 19th at Makuhari Messe (Chiba-City, Chiba Prefecture, Japan).

The TAIYO YUDEN booth will highlight the theme SMART to be an excellent company that enjoys the trust and highest regard from our customers.

We will be displaying sensors, communication modules, devices, energy devices and new business products that skillfully apply our leading technologies with demonstration.

The main stage will feature presentations and quizzes about TAIYO YUDEN's IoT solutions.

Details regarding the exhibits of the individual categories are as follows:

- Sensors
 1. Piezoelectric Vibration Sensors
 2. Multilayer Piezoelectric Actuators
 3. Gas Smell Sensors

- Communication
 4. Wireless Modules
 5. RS-485 Wireless Unit
 6. Optical Wireless Communication

● Devices

7. Multilayer Ceramic Capacitors
8. Inductors
9. EMC Components
10. High Frequency Products
11. Embedded Parts Multilayer Wiring Substrates “EOMIN™”

● Energy

12. PV Wireless String Monitoring System “solmiv™” and
PV Micro Converters “solhueru™”
13. LITHOSION™
14. All Solid State Lithium Ion Batteries

● New Business Products

15. “MRLD™” (Memory-based Reconfigurable Logic Device)
16. Power Overlay (POL)

There will be many more solutions on display and demonstrations given. We hope to see you at the TAIYO YUDEN booth. There will be prizes for participants giving correct answers on the quizzes held on the main stage. Please come and join us.
