For Immediate Release

TAIYO YUDEN to Appear at CEATEC JAPAN 2019

What's SMART. to be an excellent company that enjoys the trust and highest regard from our customers

TOKYO, September 26th, 2019 - TAIYO YUDEN CO., LTD. announced today that the company will appear at CEATEC JAPAN 2019, which takes place from Tuesday, October 15th through Friday, October 18th at Makuhari Messe (Chiba-City, Chiba Prefecture, Japan).

The TAIYO YUDEN booth will highlight the theme What's SMART. Supporting ultra SMART society (Society 5.0), to be an excellent company that enjoys the trust and highest regard from our customers.

We will be displaying communication modules, sensors, energy devices, other devices, and new business products that skillfully apply our leading technologies with demonstration.

The main stage will feature presentations and quizzes about TAIYO YUDEN's IoT solutions. There will be prizes for participants giving correct answers on the quizzes held on the main stage. Please come and join us.

Details regarding the exhibits of the individual categories are as follows:
