

For immediate release

**TAIYO YUDEN Announces Second Notice Concerning the Impact of Typhoon #19 (Typhoon Hagibis)**

We would like to express our deepest sympathies to all who were negatively impacted or fell victim to Typhoon #19.

The following is a report on the condition of the TAIYO YUDEN Group as of 9:00 a.m., October 21, 2019.

1. Employee safety

We have confirmed the safety of all employees of domestic group companies.

2. Damage condition

There was partial flooding at our subsidiary FUKUSHIMA TAIYO YUDEN. Currently, all of the water inside the plant has receded, and we are cleaning the interior of the plant as well as conducting inspections and repairs for the restart of production. We will make another announcement once we can determine an estimated time when production will restart.

3. Outline of FUKUSHIMA TAIYO YUDEN

Corporate Name: FUKUSHIMA TAIYO YUDEN CO., LTD.

Location: 1-3, Yanagawa Industrial Zone, Yanagawa-machi, Date-shi, Fukushima Prefecture, Japan

Item produced: Inductors

4. Impact of damage

We will quickly make an announcement if we identify further impacts from the typhoon damage.
