**TAIYO YUDEN Announces Notice Concerning the Impact of the February 13
Earthquake off the Coast of Fukushima Prefecture**

TOKYO, February 15, 2021 — We would like to express our deepest sympathies to all who were negatively impacted or fell victim to the earthquake off the coast of Fukushima Prefecture.

We have not confirmed any human casualties among our group employees. In addition, there was no major damage to the buildings and production facilities at the group's production sites, and operations are continuing.

Our subsidiary FUKUSHIMA TAIYO YUDEN CO., LTD. (Date-City, Fukushima Prefecture, Japan), which temporarily suspended operations after the earthquake, has resumed operations on the 14th after conducting facility inspections and safety checks.
