TAIYO YUDEN Announces the Release of the 2021 Safety & Environmental Report

A Report of TAIYO YUDEN's Safety and Environment Activities in FY2020

TOKYO, July 30, 2021 — TAIYO YUDEN CO., LTD. announced today the release of its 2021 Safety & Environmental Report which contains the results of its safety and environmental efforts accomplished in FY2020.

TAIYO YUDEN has published annual Environmental Reports since 2002. This report outlines the Companies efforts and related results on meeting the safety and environmental standards set by the Company. Since 2005, TAIYO YUDEN has been publishing its annual Safety & Environmental Report, which contains additional information relating to occupational health and safety.

The 2021 Safety & Environmental Report describes our new medium-term environmental targets. One of the targets is aimed at reducing the absolute amount of greenhouse gas (GHG) emissions in our production and business activities by 25% from FY2020 levels by FY2030 in response to the global issue of climate change toward carbon neutrality by 2050.

TAIYO YUDEN strives for continuous growth and the fulfillment of its corporate social responsibilities. TAIYO YUDEN recognizes that efforts toward safety and the environment are an integral part of how we conduct our business and an important responsibility that we are fully committed to meeting. We shall continue to promote safety and environmental activities from a global perspective.
