TAIYO YUDEN to Appear at electronica South China 2021
SMART Create Our New Normal

TOKYO, October 20th, 2021—TAIYO YUDEN CO., LTD. announced today that the company will appear at electronica South China 2021, which takes place from Thursday, October 28th through Saturday, October 30th.

The TAIYO YUDEN booth will highlight the theme SMART Create Our New Normal, To be an excellent company that enjoys the trust and highest regard from all stakeholders. We will propose products and solutions in conjunction with demonstrations, placing particular emphasis on sensors and communications, in which IoT-supporting TAIYO YUDEN's leading-edge technologies are fully utilized.

Details regarding the exhibits are as follows:

1. Multilayer Ceramic Capacitors
2. High Reliability Products
3. Inductors
4. Aluminum Electrolytic Capacitors
5. Multilayer Piezoelectric Actuators
6. Power Storage Devices
7. Gas Smell Sensors
8. Optical Wireless Communication
9. High Frequency Products

There will be many more solutions on display and demonstrations given. We hope to see you at the TAIYO YUDEN booth.

* Details of the electronica South China 2021 TAIYO YUDEN booth (Hall 12 12G26) are available on the Event Information page of the TAIYO YUDEN website.
