

TAIYO YUDEN Receives Silver Rating in EcoVadis Sustainability Survey

Recognized as one of the top 25% of companies evaluated worldwide

TOKYO, August 8, 2023—TAIYO YUDEN CO., LTD. has received a “Silver” rating in the survey conducted by EcoVadis, an international assessment organization for corporate sustainability activities.

EcoVadis’s sustainability survey assesses performance based on 21 sustainability criteria across four themes: Environment, Labor and Human Rights, Ethics, and Sustainable Procurement. The survey has been utilized in 175 countries, and more than 100,000 companies have undergone the assessment. The Company obtained a first-time Silver rating, which is awarded to companies with the top 25% of scores among the companies evaluated.

The TAIYO YUDEN Group sets numerical targets for its ESG initiatives and accelerates activities toward improving social value with the aim of enhancing corporate value by increasing both economic value and social value in line with the Medium-term Management Plan 2025, which was launched in FY2021. The Group is also committed to promoting engagement activities with stakeholders including its shareholders, customers, suppliers and society, and enhancing information disclosure via our website and integrated reports, etc.

Moving toward the future, the Company will continue its efforts by making contributions toward a sustainable society and increasing its corporate value through manufacturing based on the decarbonization concept.

TAIYO YUDEN also discloses information about its sustainability activities on its website at:
