**TAIYO YUDEN Announces Notice Concerning the Damage from
Typhoon #22 (Typhoon Rai)**

TOKYO, December 22, 2021 — We would like to express our deepest sympathies to all who were negatively impacted or fell victim to Typhoon #22.

Regarding our subsidiary TAIYO YUDEN (PHILIPPINES), INC. (Lapulapu City, Cebu), the damage of its building and equipment was minor. Currently operations have been suspended while we are undertaking work to restore the plant and checking the status of infrastructure such as electricity, logistics etc. We will make another announcement once we can determine an estimated time when production will restart.
