Foundation Underpinning Value Creation

There are mounting expectations on companies to contribute to the resolution of social issues, such as by helping achieve SDGs that aim to solve issues on a global scale. Companies are also accelerating sustainable corporate activities that place emphasis on Environment, Social and Governance (ESG) concerns. The TAIYO YUDEN Group seeks to contribute to the resolution of social issues through its business activities and at the same time is promoting ESG-related corporate activities as the foundation underpinning value creation.
